## Tales of Tunes (accompanying piece to Sam I Am's Story of Songs)

### Chapter 1 by Comp Som "CS" Anichi

There is a story, woven with song lyrics instead of prose, by user Sam I am.

Now it's time to undo the strings and create the story behind them.

Ok. Enough drama.

I enjoy Sam I Am's Story of Songs where a user writes the story using lyrics of a song. And, for me, I do see some kind of story developing.

So in this story of mine, turn those lyrics into the next chapter piece, fleshing out the details depending on the lyrics of each chapter.

Ok, last reminders.

Remember, each chapter in this story has to be related/about the lyrics based on the corresponding chapter of the Story of Songs.

E.g. Write the story for Ch2 based on the lyrics for Story of Songs's Ch2
